

Small Business SEO Checklist PDF

Title:

Small Business SEO Checklist: Rank Higher & Attract Clients

Subtitle:

Step-by-step actions to optimize your website, improve local SEO, and grow your business online.

1. Keyword Research

- Identify main and long-tail keywords relevant to your business.
- Tools: Google Keyword Planner, Ubersuggest.
- Action: Make a list of 10-20 target keywords.

2. On-Page SEO Optimization

- Include primary keywords in:
 - Page titles
 - Meta descriptions
 - Headings (H1, H2)
- Add descriptive alt text to all images.

- Internal linking: Link related pages (e.g., LLC Formation Services).
-

3. Content Creation & Marketing

- Publish high-quality, helpful content regularly.
 - Blog ideas:
 - “Top Tax Mistakes for New Businesses”
 - “Monthly Bookkeeping Tips for Small Business”
 - Action: Plan a blog calendar with 2–4 posts per month.

-

4. Backlink Strategy

- Guest post on industry blogs.
 - List business in directories like Yelp or Bing Places.
 - Encourage partners or satisfied clients to link to your site.
-

5. Local SEO Optimization

- Claim and optimize your Google Business Profile (GBP Setup).
 - Include location keywords in content.
 - Encourage reviews and respond promptly.
 - Reference: Moz Local SEO Guide
-

6. Technical SEO Checks

- Ensure mobile-friendly design.
- Improve page speed using Google PageSpeed Insights.
- Use HTTPS and secure your site.
- Submit XML sitemap to Google Search Console.

7. Analytics & Monitoring

- Set up Google Analytics and Google Search Console.
- Track traffic, clicks, and ranking changes.
- Adjust strategies based on data insights.

8. Action Plan

- Weekly: Update content, monitor analytics, and respond to reviews.
 - Monthly: Publish blogs, review backlinks, adjust keywords.
 - Quarterly: Audit site for technical SEO, review performance.
